

WellBeing Guarantees Class A Corporate Headquarters a Clean, Healthy Facility

WellBeing's Automated Hygiene Technologies and Services Include:

- Touch-Free Feminine Hygiene Units
- Anti-Bacterial Soap Dispensers
- Touch Free Hand Sanitizer Stations
- Air Fresheners & Sanitizers
- Automatic Flush Units & Toilet Cleaners
- Touch Free, Automatic Faucets
- MisMats for Toilets and Urinals

Class A Corporate Headquarters Trust WellBeing's Services to Provide:

- o Prevention of "Sick Building Syndrome"
- o Hygienic, clean image
- o Tenant retention
- o Powerful protection against HIV, H1N1, MRSA, E-Coli, and VRE
- o Decreased risk of cross-contamination
- o Encouragement of hand washing and sanitizing in a touch free restroom
- o Complement wellness and Green programs
- o Recruitment and retention of employees
- o Decrease employee sickness and downtime
- o Reduce cost per hand wash and water consumption

"As result of WellBeing's services, the drains in the restroom are maintained and there is no need to call plumbers. The janitorial service does not have to do as much cleaning. The WellBeing services we have installed keep the restrooms nice and clean and fresh. It really keeps our costs down."
